SAY HELLO TO MY LITTLE FRIEND

When I was asked to come down to the set after getting my make-up done, I said I was too tired and could they bring the camera's here so we could shoot on my futon. I love my futon and fuzzy slippers and especially my big pink vibrating dildo. I was excited, but still tired, to fuck my vibe and took it nice and slow that day. I think the crew got off on it because I could see the bulges on the all guys around me.

THERE'S A PARTY IN MY ASS

Tatyana

There's almost nothing like the feeling of a warm vibration inside my ass. It's really too bad that guy's cocks don't vibrate. Imagine what that would be like, real live flesh and vibrations, too. I think we women would get off in a New York minute. In the meantime, this will have to do, and I don't mind. Do you?

SAMANTHA'S PERFECT PHOTO OP

I met Samantha at an office party for our company's 25th anniversary. I knew her from the office as she was a bubbly receptionist that made everyone coming in feel happy and welcome. The party was winding down and she and I were sitting in a corner talking, laughing and finishing our drinks. As we headed for the parking lot, she asked if I could take some 'boudoir' photos of her since I was kinda known around the company as a pretty good photographer. I didn't have a studio but I had set up the extra room in my house with some basic photo gear.

We agreed on Saturday morning and, frankly, I didn't think she would show, but right at eleven there was a ring of the doorbell and Samantha. She came in and she was dressed normally but underneath she wore white lace stockings and, when her coat came off, a white bustier with gold trim and sheer white panties with a matching gold trim. We small talked for a few minutes as I checked my camera's and I offered her a drink if she was nervous. She told me it was too early for a drink and she wasn't at all nervous. As a matter of fact, she was quite looking forward to it.

We went into my 'studio' and she looked around complimenting me on a nice little set-up. I thanked her and motioned over to the daybed for her to sit on. As she lay on it for the pictures, I had to adjust her clothing and smooth out some wrinkles. She just watched and when I got down to adjusting her panties, there was a small wet spot by this time. She told me to ignore it because she got wet easily when she was aroused.

Aroused? I hadn't been expecting that, nor had I even taken one picture. She took me completely by surprise again, lifting her hips so as her mons pushed against my hand as I adjusted her. I backed off and went to the camera and rolled off about twenty shots before asking her to change to another position. This time she got on all fours and lowered her head onto her forearms. She said she had always wanted to be shot like this because when she sees the pose in magazines, she had always liked it. Click, another twenty shots fired off. Again a new position, but this time she asked if she could remove her panties. I told her that I didn't mind.

She pulled her panties down and tenderly fingered her wispy hair to be sure it was fluffed. I snapped more pics and she asked me to get some close ups of her face. I took the camera off the tripod and headed over to the daybed. Samantha took the camera from me and put it aside. Then she took my hand and pushed it between her legs and I felt her soft moistness. Her tiny pink button was now swollen and exposed from her thin pussy lips. My fingers were engulfed in her sweet wetness as she was thrusting on them.

Purely accidentally, in manoeuvring and pushing, one of my fingers entered her small pink anus too, at which point she went wild as my finger was gripped by

her anal muscle, so pure and soft. Samantha climaxed immediately, thrashing around and lifting her tight ass to gain control.

After she finished cumming, she reached over and pulled her panties on. She asked me to take a few more photos, which I did with a stiffie. Somehow I figured I wasn't going to get my turn to get off, but when she said she thought I had deliberately entered her anus, she wanted to come back tomorrow for some more photos. Of course I agreed, and when she left I went to the bathroom and knocked one off.

BUTT FREAKIN'

I'm writing to you because you seem to have an open forum sexuality and that's me. I'm one very sexual person and I just love to fuck. I stopped going to bars because they just didn't attract the type of men or women I wanted to hook up with. I tried some guys, but they were always too drunk or high to keep it hard. Bummer, and huge disappointment. So now I find my partners at the farmer's market. The guys and girls who go are usually more fit and taking care of themselves. Even the ones working the stalls are potentials.

Anyway, back to my point, some girls like to be fucked in heir pussies and would never think of having a cock put into their ass. But that's not me. No way. I'm a dirty girl who likes to play with my ass, feel it, touch it, stretch it and most of all I love to shove things in it. I love how the sphincter grabs on and closes tight around my fingers as I push them in and out of the rubbery opening. I'll start with putting some lube on one finger and then working it into the hole back and forth until it moves up my rectum inch by inch. Once I have it in up to the second knuckle, I'll then put another inside.

I really get a tingle through to my pussy and get soaking wet when I finger my back door. I can feel my fingers pushing their way in right through the thin membrane that separates my ass from my pussy. That's when my asshole heats up and stretches wide! Wide enough so it stays open when I pull out my fingers. This is how I know I'm ready to insert my favorite things. I'll start by wetting my butt plug with my tongue and then ready my asshole with enough lube to insert it. Then I insert it nice and easy. I'm in total heaven. When I feel especially dirty I like to spread my ass cheeks to see my hole gape nice and wide. My ass actually puckers when I do this. That's how I know I'm ready to give my little plaything a warm home deep inside my aching ass.

Once it's good and deep inside I'll keep it there for a while so I can cum many times. Sometimes I insert it and go outside and walk the streets. Once I even stuck it in my ass and went to work. What a surprise it was when my on-and-off boyfriend grabbed me for a quickie in the storeroom. As he bent me over the table to fuck me, he saw my little plug peeping out of my ass. Well, all I can say is that plug was replaced with the much larger head of his cock as he fucked and fucked my willing ass until he blew gushes of hot cum into my clenched asshole. Nothing on earth feels better.

– Giselle B. in Philly

PRE-MED HEAD

I have to admit that I have this thing for girls who like to dress up and party. Club girls. The ones you see going into the VIP section of a club with big bosoms and ultra short dresses. I find them incredibly hot. I am this way because I had a chance to be with a few in college and they were usually pretty horny and willing to do just about anything, especially if alcohol loosened them up.

I studied pre-med in college and some of them were in the nursing

school. Many wanted to fool around and I was always willing. One of my favorites was Aileen. She was a fifth-year senior at the college and she was quite a stunner. Tanned skin that makes her beautiful white teeth glow. Long curls in her hair with really firm breasts with puffy dark nipples that beg to be sucked. Now, Aileen is a bit of a nympho. Has been for about a year. For her first few collegiate years she was very, very shy. Over the course of a year I led her along the path of seduction. When I get to see her, she's a sexual animal, and she's got me wondering how many other men she's devoured.

One night as we were sitting in my car after a nice dinner out, she told me that she was headed back to Saratoga in two months for her internship. It made me sad. I told her so. She also seemed sad and we started kissing, softly at first like lovers separating, then more and more passionately. Those luscious rosy lips of hers immediately swelled and she let out a gasp of pleasure. I took that as my cue to probe her mouth with my tongue and her body with my hands. Even though we had fucked many times, I felt a sense of urgency in this kiss.

We both felt cramped in the car so we headed back to her apartment. Within minutes we were in her bedroom and getting naked. We fell to the bed and she flipped me on my back. She was taking charge of the sexual situation and we stripped one another of all our remaining clothes. She hovered over me and reached for my cock. Aileen turned and lifted her leg over me to straddle my face. I gave a light smack to her ass. She lowered her head close to my throbbing cock.

She took hold of it in one hand and put it in her mouth. In the meantime, I began running the tips of my fingers up and down the insides of her legs. Her ass was stuck straight up in the air and her knees began to lift up off the ground as I would move my fingers up and around her ass and pussy. I grabbed her hips and pulled them down as hard as I could. Her soaking wet pussy lips met mine and instantly she let out a warm long and low moan.

As I continued to lick her clit in a circular manner, she began to moan in a rhythmic pattern. As I concentrated on her moans, I could tell they were escalating in their intensity. I could feel her entire body shaking and convulsing with each stroke of my tongue across her clit. It was then that it happened. She let out a muffled scream with my cock deep inside her throat and she exploded in a violent orgasm. She choked herself on my cock and slammed her ass down on my face. At the same time as she exploded, she began to squirt all over my face and into my mouth.

I loved the sensation and gave her my own loud moan of approval as I continued to lick at a feverish pace. She dislodged my cock from her mouth and collapsed on top of me. She reached over and proceeded to stroke my still throbbing cock. She reached down and placed her hand on my balls to give them some attention. She fondled my balls while she masturbated me. The feel of her hands stroking my cock and pinching and pulling my scrotum.

She moaned and continued to cup my balls awaiting my blast. I let out a very strained moan and grabbed one of her ass cheeks very hard. She inhaled and at the same time swallowed the amazing amount of cum that erupted out of me. She continued to swallow and suck as she seemed overpowered by the sensation of my cum entering her mouth.

She grinned and kissed me passionately. I tasted the remains of my cum on her lips and on her tongue. We cuddled the rest of the night away knowing that we'd fuck again before she left. But tonight it was about the warmth and sharing between two people who would soon be apart, but now together.

WITH A SWINGING WEEKEND COMING WE PRACTICED ON EACH OTHER

SOMETIMES THE BEST SEX IS WITH YOUR PARTNER

We had met this couple at a party and gotten on so well that we decided to invite them to visit at our house the next weekend. Angie was quite tall, very blonde, and extremely sexy. Her red swollen lips pouted as she spoke and her long blonde hair fell in waves down past her shoulders. Her tiny waist with her hour glass figure curved in and out at her hips. And her long sleek legs beckoned as they provocatively flashed from under her dress. She was a vision of beauty. So much like you, my precious love, as I glanced back to you. You were taking in the handsome features of her tall well built husband Erik, as the tiny smile on your face told me that you were impressed with his well-trimmed body. I watched as your eyes trailed down from his dark brown hair down past his face to his well built chest, stopping momentarily to take in his broad shoulders with your eyes. Further down you went taking in his thighs, resting your eyes on the large bulge that was now growing inside his pants. You looked up at me and the radiant smile that flowed over your face told me that you were quite impressed with what you saw.

They arrived right on time and I escorted the handsome couple inside. As we talked, the conversation went well and we found out about each other; the small details that one should know before embarking on the adventure we had in mind. I discovered they were a fun couple, and enjoyed the finer things in life and not at all shy, when it came to flirting and behaving a little naughty, when it counted. You found out when Erik was dancing close to you, and you could feel his erection pushing up against you.

Unconcerned at the goings on in front of us, Angie watched sitting close to me on the sofa. She leaned over to me and laughingly whispered into my ear to please ignore her husband; that women have that affect on him as she pointed to his large bulge in his pants. I laughed back telling her that you also enjoyed the flirtation. Angie and I sat and watched as you two danced slowly, your hips touching lightly at first, then closer he came and I could see your eyes close as you relished in the feelings as he moved his hips back and forth, grinding his manhood into your thighs.

I knew then that the weekend that followed would be tantalizing for all of us. We teased and toyed with each other the rest of the night, taking turns dancing and watching each other with our new partners. The mischievous smile that came over your face as you reached down and slowly massaged his firm butt cheeks through his pants – and the way you let him hold you – pushing your firm breasts into his chest. Angie again sitting beside me, her arm back around my shoulder, her position on the sofa gave me an exciting view along her long sleek legs further up than I should be able to view, exposing her nylon tops and the creamy flesh that lay exposed before me. My hand came down and rested on her leg and I could feel the sudden surge of electricity as her thighs parted slightly.

Angie turns to me and her smile warmed as she looked deeply into my eyes. I knew I could take her then and there as you would have also seduced her partner on the dance floor, but it was a game and we were playing it out, and the next weekend would prove to be the wildest and hottest. The evening ended all to suddenly as it was late and we had to part. But before we left we made plans to meet and spend the next weekend together.

They left and you came to me on the sofa. You moved closer to me, letting your hand fall to my thighs, slowly stroking my leg, your eyes staring off into space, as I know you were thinking of Erik. I broke the silence, as your hand touched against my swollen manhood, that pressed up against my pants with a soft moan. You looked into my eyes, smiled and asked why was I hard? Not waiting for my answer, you slowly moved your hand back and forth over me making sure that I was fully erect. Then without a word, you slid down on the cushion and your hands reach my zipper, tugging at it, pulling it down.

With your warm and skillful hands you reach inside and pulled out the hard shaft you sought. As you ran your fingers over its head, you massaged the juices that had flowed from its tip. You looked up at me and smiled telling me that this is what Angie left me with. The glint in your eyes told me that you wanted to be mischievous again. “Yes.” I said softly, look-

ing down at the throbbing shaft sticking out of my pants. I told you that she was very exciting and I was looking forward to this coming weekend, as I'm sure you were. You grinned and your response was to squeeze my cock and look up at me again. You tickled my penis tip into your mouth you gently stroked it with your tongue. Licking up the ooze coming out of its head. It was very difficult to concentrate as you slowly massaged the head with your mouth and tongue.

I almost came right then and there when you moved your free hand to the bottom of your skirt and slowly pulled it up exposing your lush, smooth, creamy thighs. The tops of your stockings came into view, and as they did, you moved your legs further apart that allowed your free hand better access to your now throbbing flesh. I struggled to keep my juices penned back as your tongue and lips worked the head of my swollen cock. Your knee comes up and rests against the sofa arm and you are now totally exposed to me.

The sight of your naked flesh framed there before me with your dress ridding high on your hips; the silkiness of your nylons; and the dark outline of your panties pushing up against the pouting lips of your sex. I can see the outline of your shiny pussy lips as you run your fingers back and forth, over them. You are becoming very hot as I watch you suck and lick on my cock. Your fingers now push against the tiny band of elastic that holds them tight against your love spot, exposing your lips to the light as you touch them lightly against the wet lips. You stroke them slowly making them even wetter. Your fingers are now working slowly between the lips of your wet kitty. I watch intently as your fingers slowly sink inside you.

I watch as you pull them out, moving them close to your lips, tasting them and then placing them back down into the soft wetness between your legs. You insert them again, but this time you lift them up to me so I may taste your sweetness. You place a finger at the opening of my lips and my tongue darts out licking at the sweet honey that flows on your fingers. Taking them into my mouth, I savor the taste. You watch me and giggle and continue to probe and touch yourself still paying attention to my now pulsating erection.

The realization hits me that I cannot hold off any longer. As I feel the swelling in my balls, I can feel the sudden rush as my seed bursts forth into your hungry mouth. Your busy lips suck and lick at me taking all of my juice. Your free hand strokes feverishly at your wet sex bringing yourself to an explosive orgasm. Your moans grow louder as you continue to suck me. Yours legs part and then close on your pulsating love tunnel. I watch your fingers dart in and out quickly as you cry out; but it is muffled by my still ejaculating rod buried deep inside your wet pussy.

The room is filled with the sweet smell of your perfume and the smell of our heated sex. Your legs still spread wide open exposing yourself and your fluids to me. But you don't care as a matter of fact you like it. I can tell as you make no effort to cover your sweat-covered thighs and the honey liquid that flows freely from between them. You move up closer to me, resting your head on my lap slowly stroking my half erect penis. I can tell you are thinking about the next weekend as I am too knowing that it will be the best weekend we have shared together.

We fall asleep on the sofa as sweet dreams of a life well-intended roam through our unconsciousness. Two hours later, you stir first and find my cock soft and relaxed. That is your invitation to start it all again, and my cock agrees.

I'M READY TO PARTY LIKE A PORTN STAR

I never thought that a few years ago I'd be sitting in front of a camera with my nipples pierced and a huge cock in my mouth. I never thought of being a porn star, but when I was at a party in Hollywood, I met some cool people and within a month had some pictures taken. In another month I pierced my nips and in another month, I had a porn star's huge cock in my mouth.

MY BEST PARTY DAYS ARE STILL HEAD

Kimberly Faith

At Arizona State I was known as a big party girl. The frat guys all knew me by name and I didn't know any of theirs. I missed half of my classes but graduated with a 3.2 average. Now that I'm headed into the real world and have to earn me a living, I just updated my resumé. The only thing it says is *Party Girl Extraordinaire!*
